OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 12 September 1967

25X1 1. [ ] Representative Edward Derwinski (R., Ill.)  
called, saying that he expected to go to Greece in the next two to two and  
one half weeks. Any information which we could give him, if it is in order,  
on the situation in Greece, would be appreciated. [ ] 25X1

25X1 [ ] Representative Derwinski suggested that  
we get together with him here sometime next week (he plans to leave on  
September 27). I told him I would check on this, and be back in touch with  
him, possibly tomorrow.

25X1 [ ]

25X1 3. [ ] In keeping with our earlier arrangement  
with Senator Thomas Dodd (D., Conn.), I called him to alert him to the fact  
that S. 1035 was coming up on the floor in the Senate today. The Senator  
said he was aware of this. I told him we are not asking him to do anything,  
but are merely following his request to do this. The Senator said, as he saw  
it, we are going to lose any chance for an amendment and he also said he  
thinks it best that he not be involved in this.

25X1 In the course of our conversation, Senator Dodd said he had received  
disturbing information from someone who said that he had a tape recording  
[ ] talking about kidnapping somebody in the  
Congo (presumably Tshombe). Senator Dodd said he had always had faith  
in the Agency and he still has faith in us, but that this kind of information  
is very disturbing. I told Senator Dodd I appreciated his telling us about  
this and that I would look into it and be in touch with him further.
